Application No. 10/055,857

Continuation of Substance of Interview including description of the general nature of what was discussed: The claims were amended to more clearly define the claimed subject matter. Additionally claims 18 and 21 were amended to depend upon claim 4; not claim 1. The specification was amended to correspond to the originally filed drawings. The clips connect the upper part of the canister to the main body, not the handle to the canister.
